Hello & Greetings LHRW. Well, here we are almost halfway through summer already. Last month I said halfway through the year. Oh boy. We have had a pretty mild summer or so it seems like it anyway. Kids are already gearing up to go back to school in a few weeks. August feels like a month when not a lot happens. Except in Lake Havasu. Seems like there is always something going on or something to do. That is why I love this city. The political arena seems a little calmer right now as well but that will not last either. Candidates are already gearing up for the November 2026 election. It does seem far away, but we are already lining up candidates for guest speakers. There are some great republicans running for various offices and we hope to have most at our meetings next year and we already have a few candidates on the schedule for this year including Congressman Paul Gosar & Congressman Andy Biggs that will be at our August meeting. With 24-hour news cycles and the same things repeated over & over, I thought it would be fun and a little different to look up some fun facts for the month of August. There are not as many as some other months but there are some funny facts like National Watermelon Day, Sisters Day, and so forth. But there were some incredible things that did happen to change the course of history. August 6, 1945, the first Atomic Bomb was dropped over the center of Hiroshima at 8:15 a.m. by the American B-29 bomber Enola Gay. Purple Heart Day August 7th commemorates the creation of the oldest American military decoration for military merit. Some inventions like the Diesel engine received a patent. And a really wonderful day was August 18, 1920. American Women gain Voting Rights. And that really did change everything for the better. Just look at us now and all that we do. There will be more in the upcoming months to talk about and all the things that are going on in politics here in Arizona, Washington and beyond. It will be interesting to see how many members of Joe Bidens cabinet, staff and family plead the fifth. Or that Barak Obama was also in on the Russian Hoax. But for now, some famous & positive quotes for August. "Everything good, everything magical happens between the months of June & August". "No one can believe that God is not good when the August gardens are in their heyday" And Blessings to all of you. Our Lake Havasu Republican Women for all you do.

Best Regards,
Carol Pruett

August 2025 Ways and Means Report, by Deborah Courtney

The pot is currently at \$727.00 Below, the July meeting hopefuls line up for a chance to find the Queen. No one found her so the pot rolls over to August.

*Finding the Joker awards a free lunch to be used within 3 months.

August 2025 Caring for America

Thank you members for your participation in our Caring for America Projects. Caring for America projects are one requirement to keep our charter with The National Federation of Republican Women. These projects show the community that Republicans do not depend on government to help those in need. It puts us out in the community in the best way.

Republican Women are amazing.

A big Thank You to all who participated in Back To School Shoe Drive. You are all rock stars and beyond generous. The event was July 12th at the Clothes Closet, several of our members volunteered and it was amazing to see families so grateful and truly appreciate what they were receiving. The kids were excited and bubbling over with their new items. Every parent that came through thanked all of us. Another great job ladies.

Another great job by LHRWC members for your generosity for the School Supply Drive. Member Teri Peters and event coordinator, Megan Holland, were overwhelmed with our members and your kindness. They said the event could not happen without us!

Members, if anyone would be interested in chairing Caring for America, please let me know. I love this position, and it is the most fulfilling thing I have done in a long time. But it is time for other members to participate. It is largely coordination of our projects. Members are always so giving and willing to help, it makes it pretty easy.

We also are looking for teams to help with the baskets for 2026. Grab a friend and volunteer for this project please. If you don't want to make the basket you can always gather some supplies and we can do the assembly. See Karen Wilhelms for details.

You continue to support Military Moms every month all year, thank you. Thank you from my heart, I love all of you and you all make me proud.

August 2025 Meeting Speakers

CONGRESSMAN PAUL GOSAR D.D.S.

Congressman Paul Gosar, D.D.S., is serving his 7th term in Congress as the Representative from Arizona's Ninth Congressional District. Congressman Gosar believes that the Constitution is the cornerstone of our Republic, and always pursues policies that allow for more individual liberty and less government involvement. Dr. Gosar is focused on fighting illegal immigration, securing the border, holding Washington bureaucrats accountable, cutting wasteful government spending, fighting woke ideology and the weaponization of the federal government. He wants to ensure he is representing the interests of his constituents. Dr. Gosar has been recognized by GovTrack as one of the most effective members of Congress.

CONGRESSMAN ANDY BIGGS

Congressman Biggs was elected to serve the people of Arizona's fifth District in 2016. He currently sits on the House Judiciary Committee where he chairs the Crime and Federal Government Surveillance Subcommittee, and the House Oversight and Government Reform Committee. Before going to Washington Congressman Biggs served in the Arizona State House of Representatives for 8 years and in the Arizona State Senate for 6 years. An Arizona native, Congressman Biggs and his wife, Cindy, have lived in Gilbert for over 35 years. They have 6 children and 11 grandchildren. July 1, 2025

Shugrues Bridgeview Room 1425 McCulloch Blvd. N, Lake Havasu City, AZ 86403

Program:

Sheriff Doug Schuster: Sheriff Schuster has been serving Mohave County for 34 years. Since 2017, the county has seen a 72% reduction in burglaries. Mohave County is 5th largest county in the United States based on land mass. It is the 2nd largest in Arizona based on land mass. Mohave County, Arizona was recognized as a county in 1864. It was one of the four original counties created by the 1st Arizona Territorial Legislature. License plate readers, throughout the county, are capturing and transmitting information that has been used to apprehend criminals. Fentanyl is now even more addictive as it is being mixed with other illicit drugs, such as heroin, cocaine, and methamphetamine, to increase its potency.

Kimberly Zanon: Kimberly spoke about her experience after having been selected to participate in the Dodie Londen Excellence in Public Service program series. The Dodie Londen program is a competitive program in which Republican women throughout Arizona apply for and are then accepted into an elite leadership program. Participants engage in specialized training, visit Washington D.C., and are prepared for local, state, and national political positions. Kimberly reminded the club members that Republican women are the backbone of this community. Republican women have dignity and strength. The Dodie Londen program brings together and enhances the strength and dignity of Republican women and the Republican party. Kimberly is dedicated to fighting for those who have no voice to fight for themselves. Kimberly is actively working alongside other women to bolster the Impact 928 program. She is also looking to the future with her new endeavor, Empower: Her House.
