### April 2023 Presidents Message

Hello & Welcome Spring. A wonderful time of year, but especially nice in beautiful Lake Havasu. The weather is always nice this time of year. And for at least a few more months anyway before it gets really hot. Although I must admit I am one of the crazy ones that don't mind the heat. It seemed like we had a really cold winter & some miserable days and I said I promise I won't complain when it's 110 degrees. I might when it's 115 though. But as beautiful a month as April is there have been a lot of dark days in this historical month. April 15, President Abraham Lincoln was assassinated. April 18, Paul Revere made his famous ride from Charleston to Lexington MA. And the American Revolutionary War began. Dark days as so many were killed. The great San Francisco Earthquake was also on April 18. And the Titanic sunk on April 15, 1912. History shows that there were a lot of tragedy's in April. But there were a lot of fun facts as well that changed history for the better. George Washington is inaugurated on April 30, 1789. And a fun fact is that he is the only president that didn't represent a political party. And the first Webster Dictionary was copyrighted by Noah Webster on April 14, 1828. He is probably turning over in his grave on the words that have been admitted to the Dictionary over the years. April 19, 1932 President Herbert Hoover suggests a five day work week. The only complaints came from the democrats on that one. Sorry I could not resist. So we do have a lot to enjoy in April. Easter is almost always celebrated in April. So celebrate we will. Our club will be enjoying our wonderful Spring Tea at the London Bridge Resort April 11. That's just for fun. We will have an amazing speaker at our April 4<sup>th</sup> meeting. There is much to do in this beautiful city. And believe it or not candidates will all start announcing soon for their respective offices. It will be very interesting to see who will be running. As always our club will be growing with more amazing women who do so much for Lake Havasu with our Caring America Projects. So everyone enjoy this beautiful month. Thank you all again for the great support in our club. Happy Easter to all.

Best Regards,

Carol Pruett

## April 4, 2023 Speakers

### Stacey Goodman

Police Officer, 9/11 First Responder and Author

Stacey Goodman was a young police officer with the Suffolk County Police Department located on Long Island when she got the call to serve at Ground Zero – the day after the attacks. Goodman was part of a federal agency called the Disaster Mortuary Operational Response Team and assisted the medical examiner in a temporary morgue set up next to the massive pile of debris from the downed towers. “My solemn duty was to do preliminary identification of all the remains that were brought to us,” said Goodman. She worked 12-hour shifts – 7 days a week for 23 days. There was no time for emotions or exhaustion. “My duty was to those victims – innocent people going about their day, and it was all taken away from them in a blink of an eye.”

It's been over 20 years since Goodman worked at Ground Zero. She would eventually go on to serve the Suffolk County Police Department as a detective. She retired now and makes her home in Cave Creek. She wrote a book about her experience titled "The Dust Never Settles." While the memories fade, she hopes her book can educate future generations about what really happened. Please join us at our April 4<sup>th</sup> Lunch meeting for this riveting guest speaker.

### April Smith

Field Director for The Arizona Free Enterprise Club

The Arizona Free Enterprise Club, is focused on a pro-growth, limited government agenda for Arizona. She took an interest in the political arena and started working the elections. She has been actively involved and volunteering in several capacities where needed. She enjoys going out and meeting new people and bringing awareness of vital information.

April is a native to Arizona and lives in East Mesa with her husband Shawn and 8 children. She encourages her children to take part in preserving their freedom and has often included them in political activities. She knows that young people that are taught how to think and learn will be strong assets for the future.

## April 2023 Ways and Means Report

At the March meeting, four tickets were drawn and we had a **Winner!** Congratulations to Karen Wilhelms who won the pot of \$833. The board will be reset for our April Meeting

Our April meeting is the last chance to turn in or purchase your Big Money Raffle Tickets as we will be selecting a winner at the meeting. Need not be present to win. Remember, this is a big and important fundraiser for our club, and the more tickets sold, the better for our club.

Deborah Courtney

Queen of Diamonds update: New rule awards a free lunch to be used within 3 months for anyone who turns over a joker. Melanie Martin won the free lunch in December!

## April 2023 Caring for America

Lake Havasu Republican Women's Club never stops amazing me with all you members do in our community. You are the most caring and giving ladies I have ever encountered. You all are what give me the spirit to keep pushing ahead. When the days seem dark and our country is destined, I look at you amazing women and I see brighter days ahead.

One of our members Michele Lin, who is also a Council Member, has been working very hard on developing Havasu Community Resource Coalition. This is not a hand out but a hand up. The vision to bring all agencies and non profits together as a better way to serve those are in immediate need for resources and guidance. This is not just the seriously homeless, but those in a crisis or short term immediate help. Most of those being helped will be become better productive citizens in Lake Havasu City. We honor and applaud Michele's tireless work .

The Military Mom's Bucket will be at every meeting. Remember the funds stay right here in Lake Havasu and benefit all military in our community. Thank you to Cyndi Buttery for assisting with Military Moms bucket. You all have been so very generous. Thank you for this worthy cause.

We continue with our baskets for New Horizon's. Donna Steinle and her family have been more than generous with supplying these baskets. We could sure use some donations. Anything you have to make a basket. We could use gourmet coffee, chocolates, wine, glasses, spa items and gift certificates. Please see myself or Donna if you can donate something.

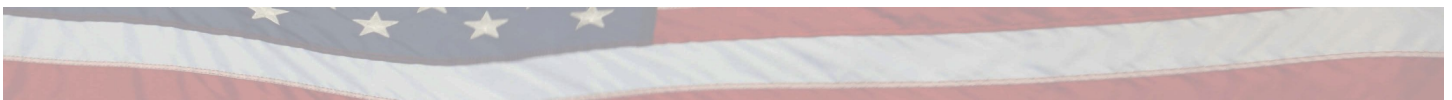

Lake Havasu Republican Women's Club has made such an impact in Lake Havasu City and for our residents. This is what Republican's do.

Thank you again.

Gaynell Crews

Valerie Eames won the St. Patrick's Day Basket at our recent meeting.

## Water Roundtable with Congressman Paul Gosar attended by Gaynell Crews

As part of Supervisor's Johnsons staff, I was honored to attend a "Water Roundtable with Congressman Gosar" this week. The event was well attended by both elected officials, legal experts and very educated professionals.

Many on the dais spoke, including our Mayor, Cal Sheehy. The different regions in Arizona experience their specific concerns. Lake Havasu and other river cities are unique as we solely depend on the Colorado River for our water. Conservation is key for our water supply along with treating and reusing that water for irrigation and farming. Other areas in Arizona have a good supply of water but it is quite brackish and requires treatment to be potable. These waters would require desalinization. While not as salty as the ocean, still would need treatment.

Desalinization plants are very expensive to build and take a very long time. Plus, how to power them for operation? One expert is very knowledgeable regarding small portable nuclear reactors. These could easily power smaller plants and be portable.

Eradication of salt cedars from our lands is another conservation method. The salt cedars are not native, invasive and sucks large amounts of water from the earth. Very hard to remove them completely. They used an example of a ranch in Flagstaff area that spent a couple years eradicating the salt cedars from several acres on their land. They were eventually able to replant with native trees. But after the cedars were gone, a natural spring came into view and started running. They said the spring had been gone for about 50 years.

There is hope for our water situation for sure. It is not one solution but many. The fact of doing our part, even on a small basis, does help. We must think of these projects when it comes to funding to save our future generations.

Gaynell Crews

### Membership Report April 2023

We currently have 119 Regular Members and 16 Associate members for a total membership of 135. February 28th, 2023 was our deadline for signing up for membership in 2023. You can still sign up but if you have not signed up by 2/28/23 you are no longer considered a member and must renew your membership or you will only be allowed, per our by-laws, 3 meetings during the year. You can apply and pay on-line or see me or Cindy Sloan for an application and can pay by cash or check.

We had our first New Member Orientation February 21, 2023. We covered the history of our club, AzFRW and NFRW, the various ways we learn about our candidates and how we help lift up our community through Caring for America. Also, we reviewed the committees and the new members have started signing up for areas that they are interested in helping. Our next orientation will be the early part of May (still to be determined). If you are interested in attending that session you can always email me at [jdzuro@msn.com](mailto:jdzuro@msn.com) and I will put you on a list and let you know when the meeting is confirmed.

Joan Dzuro

Our membership table is always open. L to R Joan Dzuro 3rd VP and Ruth Mock Member at Large.
