## December 2022 Presidents Message

I truly was hoping that my last President's Message would be one of great celebration. Instead I feel dazed. Here we are still not knowing the outcome of several races. The elections have been less than fulfilling. Where did we go wrong? What could we have done?

Mohave County actually did its job. But we cannot say, "Well we did our part, it's the other counties that dropped the ball." We are all responsible. We all take part in choosing our leadership, choosing our candidates and promoting good Republicans. I think we need to look deep inside the facets from our AZGOP leadership, choice of candidates and issues that affect voters. Closing our minds is not the answer. Not voting is not the answer. If our forefathers tossed in the towel, we would not be having this conversation or even have any of the freedoms that we enjoy today.

As I am ending my tenure as President, I can only say, it has been beyond fulfilling. The year flew by and my job was made easy because of all of you. Members and the executive committee work as a team and all of you have been there for every event. You have come forward when asked and have done so with pride. I have been honored to lead such an awesome group of Republican Women. If you have any reservations about serving on a committee, please know everyone has your back. Everyone works together.

As we look forward to 2024, we need to make good use of our time. Communicating with our elected officials, becoming precinct committeeman and speaking our minds. Not going along with everyone just because of popularity got us where we are today.

## **December Presidents message, continued**

You all are the most inspiring women I have ever encountered. You have made me so proud and I am humbled and honored to have been your President.

I want to wish all of you the most heartfelt wishes for Thanksgiving. I am thankful for so many things in my life. My family, friends, our community and all of you. I know God's hand is in everything. Even this election has lessons for us that we do not yet know.

God Bless each and every one of you and above all God Bless America.

Gaynell Crews

### December 2022 Ways and Means Report

At the November meeting, four tickets were drawn and no one found the Queen of Diamonds so the balance of \$308.00 will roll over to next month.

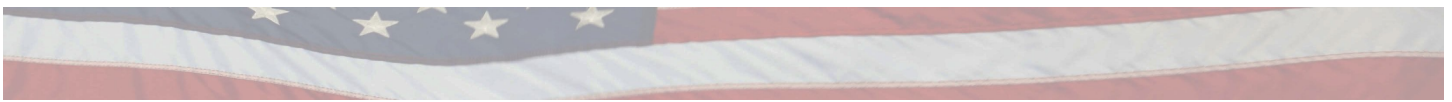

Good luck to all, and thanks to all that support this most important fundraiser for our club

Maureen Furman

Queen of Diamonds update: New rule awards a free lunch to be used within 3 months for anyone who turns over a joker.

## December 2022 Caring for America

All 100 of our Forgotten Seniors were adopted at our meeting! You all made my heart full with pride. But the most important is 100 seniors, who would otherwise not have a Christmas, will have their wish list filled. Remember, bring your unwrapped items WITH THE TAG ATTACHED TO THE BAG to our meeting. We will get them delivered to Salvation Army for distribution.

We will have our schedules for bell ringing at the December meeting. Hopefully it will be Thursday December 15- Saturday December 17. We try for 10-4 pm. It is so much fun and the time flies. It is way more fun to ring with a friend or another member. If you have never done this please volunteer. It is a memorable experience.

Our baskets with proceeds for New Horizons Activity Fund have been fantastic! The baskets are gorgeous (Thank you Donna Steinle) and thanks to all of you for purchasing tickets. This is a great cause and much needed for the residents at New Horizons. We will present a check to New Horizons at our January meeting for the proceeds from basket sales for the year.

We continue to pass the Military Mom's Bucket at our meetings. Remember the funds stay right here in Lake Havasu and benefit all military in our community. You all have been so very generous. Thank you for this worthy cause. Remember if you put a check in the bucket, make it out to the club not Military Moms. We keep track for the entire year and present a BIG check to Cindy Ritter at our January meeting.

The Food Bank is in need of boxes for food distribution. Not big boxes, but the medium size Amazon boxes are good, can be any type. Bags tend to tear so the boxes work well. Do not bring them to the meeting. Please take them to the Food Bank at the corner of Kiowa and San Juan Dr.

Thank you again and again.

Gaynell Crews

One of the many beautiful baskets created in 2022 to raise money for New Horizons

Note from the editor, I hope you enjoy our newsletter. To show our appreciation, be the first to mention you read the newsletter to the seller of the Queen of Diamond tickets and get 6 free ticket. (offer good one time per member)

## December 2022 Legislative Committee Report

As I write this article we still do not know who has won our elections. I know that we are all disappointed in the results that we saw nationwide but I see this as an opportunity to energize our base even more and be sure that we do see a red wave in 2024.

It is easy to get discouraged and say “why bother” but if our fathers and grandfathers had done that on D-Day we would be speaking German right now. Now is the time for us to take a deep breath and take a hard look at what went wrong and for us to come up with solutions that we have our elected officials implement.

We also need to contribute to highlighting candidates that we would like to see run in 2024. Krysten Sinema, a true liberal Democrat, needs to be replaced with an America First candidate. We need to help find the person that is articulate, personable, knowledgeable and able to deal with the left leaning media and social media.

So, take heart. God is in the midst of all of this and we know his plans for us are for good. We may not understand why things have gone this way but we can put Him first and work hard to continue moving his precepts forward (loving people, stand for families, protect the unborn, etc.).
